A free 45-minute seminar providing a quick overview and instruction in the main features of Tornelo for Organisers and Arbiters.
Monday 9 November @ 15:00 CET

Presented by David Cordover

Quick start guide to running events

Monday 9 November @ 15:00 CET

In cooperation with the European Chess Union

Presented by David Cordover (Founder Tornelo.com)

Duration 45 minutes + questions (Start time 14:00 UTC)

Tornelo is the official tournament management platform of the European Chess Union. In this webinar we will provide a quick overview and instruction in the main features of Tornelo for Organisers and Arbiters.

- Creating an event
- Inviting players and account creation
- Importing player lists and pairings
- Running an event with online games
- Control of games in progress

European Chess Union and its official Partner Tornelo organise a free webinar on Monday 9th November (15.00 CET) on how to use the server organising chess events.

INTRODUCTION TO TORNELO - WEBINAR

T

he invitation is for European federations, clubs, organisers, arbiters but can be extended or rescheduled and for the other continents according the interest. The last three months ECU worked intensively with Tornelo in order to present a new way for the organisation of #Chess events.

The new role model presented through 3 official ECU online competitions and have been already adopted from major organisations, federations and organisers.
