

## Proposal from ECU Arbiters' Council regarding change of ECU TR

### Appointment system of foreign arbiters

for approval of ECU GA in Batumi, 2019.

#### B.10. Arbiters and other officials

~~B.10.1.1 Each organiser of an ECU competition will propose two persons for the position of Chief Arbitrator, two persons for the position of each Deputy Chief Arbitrator (in case more than one should be appointed) and one person for the position of Pairings Officer (can be one of the arbiters proposed before). This proposal should be send to the ECU Arbiters' Council at least three months before start of the competition and all proposed persons should be FIDE licensed arbiters.~~

Each organiser of an ECU competition will propose persons for the position of Chief Arbitrator, Deputy Chief Arbitrator and Pairings Officer. This proposal should be send to the ECU Arbiters' Council at least three months before start of the competition and all proposed persons should be FIDE licensed arbiters.

~~B.10.1.2 ECU Arbiters' Council will make a choice from organiser's proposal, taking into account arbiters' experience and other tournaments, and will propose to ECU President one person for each position.~~

ECU Arbiters' Council can make their own proposal and will present it to the ECU President together with the proposal of organiser.

ECU Arbiters' Council may also put some remarks on the proposals of the organiser based on previous performances of the proposed arbiters.

B.10.1.3 In case of lack of proposal from the organiser in the term mentioned above, Arbiters' Council will make their own proposal to ECU President.

~~B.10.1.4 ECU Arbiters' Council can make their own proposal of the other candidates to ECU President.~~

B.10.2.1 The Chief Arbitrator, one or two Deputy Arbiters and the Pairings Officer (Annex 6) shall be appointed by the ECU President. If deemed necessary the ECU President may consult the organising chess federation, the ECU Board, ECU Arbiters' Council and/or the ECU Tournament Director(s)

B.10.2.2 The foreign arbiters (at least 25% of total number of arbiters) shall be appointed directly by the ECU Arbiters' Council.

This doesn't prevent the organiser to appoint extra foreign arbiters out of the abovementioned quota.

B.10.3 The organising chess federation is responsible for the expenses of appointed arbiters and pairings officer mentioned above (travelling costs – either air travel or first class rail travel with sleeping car – living expenses and pocket money) and shall also foresee a stipend.

B.10.4 The organising chess federation will appoint other necessary FIDE licensed assistant arbiters and other officials (cf. 10.5). The minimum of male or female

arbiters in each European Championship is 25%. The total number of arbiters to be appointed for each Championship is Annex 6. The final list of Arbiters shall be approved by the ECU Arbiters Council.
